Introduction to Your Insurance Policy

This is *your* insurance policy. It is a contract of insurance between *you* and *us*, and is made up of this policy booklet, *your schedule* and any *endorsement* applying to *your* insurance policy. It is based on the information and statements *you* have provided to *your broker* or the information that was given on *your* behalf when *you* applied for this insurance. *You* should keep it in a safe place.

The insurance relates ONLY to those sections of the policy which are shown in the schedule as being included.

Each address included under this insurance is considered to be covered as if separately insured.

It is important that **you** read **your** policy booklet together with **your** schedule very carefully. <u>Please read</u> <u>the whole document</u>. It is arranged in different sections. It is important that:-

- you are clear which sections you have requested and want to be included;
- you understand what each section covers and does not cover;
- you understand your own duties under each section and under the insurance as a whole.

If any details are incorrect or if it does not provide the cover **you** need **you** should return the **schedule** to **your broker** immediately.

In return for payment of the premium shown in the *schedule*, *we* agree to insure *you*, subject to the terms and conditions contained in or endorsed on this policy, against loss or damage *you* sustain or legal liability *you* may incur for accidents happening during the period shown in the *schedule*.

Failure to pay *your* premium within the timescales advised to *you* by *your broker* may render *your* policy invalid from its inception.

Your Cancellation Rights

You will for a period of 14 days from the date *you* receive *your* insurance policy, have the right to cancel this policy and receive a full refund of any premium *you* have paid to *us*, although *we* reserve the right on refunding any premium paid to *us* if *you* have made a claim under this policy.

To exercise *your* right to cancel, contact *your broker* who arranged this cover for *you*. Please be aware that *your broker* may charge a fee for work completed on *your* behalf.

Choosing the Right Levels of Cover

Adequate insurance for your circumstances

How much to insure for

It is *your* responsibility to make sure that the amount *you* insure under *your* policy represents the full value of the property concerned. *You* will find these amounts ("sum insured") for which *you* are insured in *your schedule*.

For **buildings**, this means the full cost of rebuilding **your home** including fixtures and fittings, any outbuildings and external structures like walls and fences, plus an amount for any extra charges that could be involved in rebuilding such as demolition costs, architects' and surveyors' fees and meeting the requirements of local authorities. Please note that the cost of rebuilding **your home** may be different from the market value of **your home**.

For *contents* this means the full cost of replacing all *your* belongings within the *home* at current prices (apart from television sets, DVD players, camcorders, videos, record players, compact disc players, video recorders, home computers, laptop computers, game consoles including CD's, tapes, records and software and similar equipment over one year old and clothing and household linen, where *we* may make a deduction for wear and tear and loss in value). Any *valuables* worth over €1500 must be specified on the *schedule*.

For *personal effects* this means the full cost of replacing as new items that *you* could easily carry about on *your* person or be conveyed by hand, including *jewellery*, watches, mobile phones, laptop computers, handbags, clothing and other *personal effects*.

Laptop computers and any *personal effects* worth over €1000, which are temporarily removed from the *home*, must be specified on the *schedule*.

It's important that *you* insure for the full amount as these "sums insured" represent the maximum that *we* will pay in the event of a claim.

If **you** have any doubt on the adequacy of the amount **you** are insured for under this policy **you** should immediately consult with **your broker** who will assist **you** in ascertaining adequate amounts for the property concerned.
